Josie Creek County Park

Josie Creek Park is located at the confluence of Josice Creek and the Dairyland reservoir, making this campground a fantastic place to go fishing for fish such as bass, walleye, muskies, catfish, and panfish. However, fishing isn't the only thing to do. There is also a shooting range with 50, 100, and 600 yard ranges with shooting benches and shelters, and a 32 target archery trail.

This campground has 25 sites, 13 containing electrical hookups, and 12 with electrical and water hookups. This is a great campground to visit and spend time outdoors.

Located at County Road X, Tony WI 54560

2019 State Junior Small-Bore Rifle Championship

Written by Jason Knight

Junior State Championship, De Pere Sportsman's Club

Congratulations to Thomas Kirsten from De Pere Sportsman's Club. Thomas is the newest recipient of the Winchester Award with an aggregate (3p & 4P) score of 1309. Thomas took first place in the 4-position competition with his teammate, Thomas McGowan, placing first in 3-position. Medford Rifle Club won the 3-position state championship with De Pere Sportsman's club winning the 4-position team championship.

Our numbers are down a little bit this year. Make sure you take a friend to the range to show them what our sport is about.

Please make note that 2020 Jr. State Championship will be the weekend of March 20-22nd. Make sure you put it in your calendars, and tell people who might not be receiving this email/bulletin. Hope to see everyone then.

Congrats to all the award winners, excellent work! Thank you to our volunteers especially Spencer for helping Todd out in the range this year, we all know he needs all the help he can get. Thank you for the coaches and parents who show up every week. Be nice to each other, have a great summer...

Junior Service Rifle Team

Dave Holub

2018 was another successful year for our Wisconsin Junior Service Rifle Team. Even though we lost some of our top shooters that aged out or joined the military, we had a strong showing in the standings. Several up-and-coming competitors made huge strides in their development, and show great promise for the future.

Our Juniors placed three teams in the top 15 in the National Junior Team (2 man) match. We placed third, seventh, and fourteenth. Our National Trophy Team (6 man) comprised of Kaleb Hall-coach, Spencer McGowan-captain, and shooting members Brad Schoenemann, Vince Norling, Thomas McGowan, Reanna Hansen, Sam Cvikota, and Thomas Kirsten finished in third place against some very tough competition. Our National Trophy Infantry Team (rattle battle) comprised of Kaleb Hall-coach, Jim Schonke-captain, and shooting members Brad Schoenemann, Vince Norling, Thomas McGowan, Reanna Hansen, Sam Cvikota, and Thomas Kirsten finished second to a very strong Texas team, in spite of some mechanical issues.

We are looking forward to another successful year.

None of this could be possible without the help of many people. Coaches, local club programs, parents, sponsors, raffle tickets purchases, and donations allow us to field one of the best programs in the country. We would like to thank some of our sponsors and donors:

Wood County Rifle and Pistol Club- Use of their range for team practices

Eau Claire National Rifle Club-Use of their range for team practices

Wisconsin Triggers- National Match triggers for our team member rifles

Krieger Barrels-Match barrels for our team member rifles

Central Wisconsin Gun Collectors Association-Generous cash donations

Hall Title- Generous cash donations

Sierra Bullets-reduced price bullets for our match ammo and free seconds for practice ammo

Civilian Marksmanship Program- a cash grant, a donation to our MidwayUSA Foundation account, and a very attractive price for the M1 we give away in our raffle

Midway USA and the Potterfield family- for matching funds on donations to our MidwayUSA Foundation account

We also received fantastic support through the purchase of tickets for our raffles. This year, for our flagship raffle, we gave away a CMP M1 rifle, a Henry Goldenboy 22, and an Orca cooler. The M1 was won by Joseph Neary from Lindenhurst, IL. He bought the ticket at the CWGCA gun show in Fond du Lac. The Henry was won by Robert Gregory from Fond du Lac. He is a vendor at the CWGCA show and bought the ticket there. The cooler was won by Dennis Fater from La Crosse. Thanks to all that participated.

Donations can be made to our MidwayUSA Foundation account here: [Donate to Wisconsin Junior Service Rifle Team Account](#)

All donations will be matched by the Potterfield Family. Every year we can draw a grant equal to 5% of our account balance. The money in the account will be there for all future teams-long after we are gone. This is an excellent way to guarantee a great program for many years to come.

5 Ways To Reduce Anxiety At Your First Match

by Stanton L. Wormley, Jr. - Sunday, August 5, 2018

Going to your first match in any new shooting discipline is bound to be stressful. Here are a few of my recommendations to reduce the anxiety level, shoot better and have more fun.

1. Get There Early

There's nothing worse than rushing to get to a match. If you show up just in the nick of time—or even late—and are just getting set up while everyone else is ready to shoot, you'll start the match with a stomach twisted in knots. If you get to the match early, you'll get registered, set up all your stuff and still have time to check out the

range, watch the wind flags and focus on the task at hand.

2. Be Prepared

Shooting is fun, but half of the difficulty for anyone going to their first match of any kind is dealing with [anxiety](#)—the dread of the unknown, of doing poorly, of looking like a fool or of forgetting something important. Being [prepared](#) will help reduce anxiety. Make lists of what you need to do or bring. Take extra ammo, an extra scope, tools and whatever else to provide the comfort of feeling ready for anything. Being prepared also means not leaving things until the last moment (which relates to recommendation No. 1).

3. Have a Routine

Developing a routine for every phase of your shooting will reduce your anxiety, help you focus on the match and promote shooting consistency. Come up with a shot sequence—a list of actions you take to fire each shot. A typical shot sequence (also known as "[shot process](#)") might be something like this (modeled on my [F-Class](#) shooting routine):

- With trigger finger off the trigger, chamber a fresh cartridge
- Push rifle forward against stop on tripod rest
- Adjust rear bag position so that it is uniform in relation to buttstock
- Roll onto left side
- Put buttpad into pocket of right shoulder
- Right elbow onto elbow pad
- Check alignment of scope and target, adjusting rest as necessary
- Check body alignment, leg and foot position
- Check pressure of buttpad into shoulder
- Check pressure and contact point of cheek on stock comb or cheekpiece
- Check wind flags and determine hold-off
- Align crosshair and target
- Trigger finger onto trigger
- Control breathing
- Squeeze trigger while maintaining sight alignment via pressure on the rear bag
- Fire the shot
- Follow through
- Open bolt and extract case

4. Shoot Each Shot

[Concentrate](#) on each shot at the moment you're shooting it. If you have a bad shot—and you will—don't dwell on it. Learn from it—learn what you can do to make a better shot—but then let it go and focus on the shot you're about to fire.

5. Don't Worry About Your Score

Although you're shooting for a score, you shouldn't be thinking about that while you're shooting. [Worrying](#) about how many points you're way from shooting clean, or how far you are behind your shooting buddy will only take your focus away from the shot you're about to take at that moment.

Wisconsin Firearm Owners (WFO)

Mission

To promote and support the purpose and objectives of the National Rifle Association, while protecting and defending the Constitutions of the United States and the State of Wisconsin.

Securing Our Rights

The assaults on the rights of today's firearms owner have never been stronger. These attacks on our civil rights come from anti-hunting, anti-gun, and anti-civil rights organizations. We must stand together to preserve the rights guaranteed to all free citizens under the Second Amendment, the U.S. Constitution, and the Wisconsin Right to Keep and Bear Arms. WFO has a constant presence in Madison helping to ensure your voice is heard. Whether it is the right to self-defense, micro stamping or hunting regulations, we are involved. Combine your voice with that of thousands like you in Wisconsin; our united voice cannot be ignored.

Club and Range Support

We are the experts in the State advising the Wisconsin Department of Natural Resources, clubs, and businesses in upgrading, improving, and the design of ranges.

Competitions

Matches and events are listed on our calendar. Match Directors can also utilize our on-line registration. NRA discipline championships are authorized and promoted by WTO. **Please join us today!**
