Wisconsin: Gun Owner Credit Card Data Privacy Bill Headed to Governor's Desk

January 18th, the Wisconsin State Assembly passed Senate Bill 466 (which passed the Senate earlier this week). The Senate bill replaced the Assembly's version AB 468. This legislation prohibits the use of firearm/ammunition specific merchant category codes by payment processors. SB 466 provides critical reforms for gun owners, protecting private purchasing information from abuse by third parties. The bill is now headed for Governor Tony Evers' desk. For more information click [here](#). Please contact Governor Evers and urge him to SIGN SB 466!
